PROJECTS

GlowNest

Source: github.com/dimpal-29/GlowNest | Live: glow-nest-bay.vercel.app/

- **Language:** React.js, JavaScript, CSS, HTML

A responsive salon booking platform where customers can browse services, book appointments, and track booking history through a secure checkout flow. Includes a feedback system and an admin dashboard to manage users, services, and bookings in real time. Leveraged AI-assisted development tools to speed up coding, debugging, and UI refinement.

Dream Wedding

Source: github.com/dimpal-29/Dream_Wedding | Live: dream-wedding-ruddy.vercel.app/

- **Language:** React.js, JavaScript, CSS, HTML, JSON Server

A wedding event management platform for service discovery, package selection, and vendor coordination. Offers user login, booking management, and dedicated vendor/admin workflows for task assignment and status tracking. Utilized AI tools to assist with code optimization, troubleshooting, and rapid prototyping.

NutriCare

Source: github.com/dimpal-29/NutriCare | Live: sprightly-fudge-3db80f.netlify.app/

- **Language:** HTML5, CSS3, JavaScript

A responsive health and nutrition website featuring a BMI calculator with history tracking, a hospital locator with city/name search, and a product catalog for herbs and fruits, along with login, feedback, and contact form functionality.

Personal Portfolio Website

Source: github.com/dimpal-29/portfolio | Live: portfolio-irid-three-75.vercel.app/

- **Language:** HTML5, CSS3, JavaScript

A personal portfolio site featuring responsive sections for About, Skills, Projects, and Contact, a dark/light theme toggle, and scroll-based reveal animations, plus a functional contact form and downloadable resume.
